Case No. 20-cv-06613-YGR (TSH)

DISCOVERY ORDER

Re: Dkt. No. 218

13 The parties have filed a joint discovery letter brief at ECF No. 218. In the letter brief, the
14 parties dispute the contents of certain medical records. The Court would like to review those
15 records itself. Accordingly, the Court **ORDERS** the parties to file the medical records at issue no
16 later than April 7, 2025. If they should be filed under seal, the parties should file an appropriate
17 motion to seal.

18 In addition, one of the arguments Plaintiff makes is that Defendant failed to object to the
19 term “ASL interpreter.” However, the excerpts from the RFA responses do not show how the
20 term was defined or what Defendant’s objections may have been. Accordingly, the Court
21 **ORDERS** the parties to file the RFAs and Defendant’s responses in their entirety no later than
22 April 7, 2025.

23 **IT IS SO ORDERED.**
